

“What’s happening to you, is happening to me…”

The words of this classic UWP song could not be truer today.

Since of the summer of 2022, there are no longer specific restrictions on events in the Phoenix / Scottsdale area. However, the IAA is fully committed to conducting a successful and safe reunion. Knowing that we have alumni who may be immunocompromised for any one of a number of reasons, we all play a part in keeping each other safe and healthy.

Please note we will monitor and update as global situation impacts travel and / or activities in Arizona.

REUNION 2023 Healthy Reunion Policy

Talking Stick Resort AZ Safe + Clean:

Focused on ensuring a clean, safe and healthy environment, Talking Stick Resort is an [AZSAFE + CLEAN Certified](#) property. "Team members are taking the necessary steps to continue to ensure a clean and inviting environment for the guests and visitors. This program establishes requirements to assist venues by providing best practices, protocols, and procedures to control risks associated to remain safe and clean. **The hotel policy** for guests that test positive for Covid must depart Talking Stick Resort within 24-hours (or by 11:00am the following day) of the positive test results. Talking Stick Resort policy does not allow guests to quarantine in their guestroom.

Travel to the United States

As of June 12, 2022, the CDC no longer requires air passengers travelling from foreign countries to the United States to provide a negative COVID-19 test or documentation of recovery from COVID-19 prior to boarding their flight. <https://www.cdc.gov/coronavirus/2019-ncov/travelers/international-travel/index.html>

While participating in REUNION 2023 events:

It is our expectation that all attendees will take responsibility for their own safety and the wellness of their fellow alumni.

- For many reasons, participants may choose to wear a face mask onsite. If you do not have your own mask and should need one, face masks will be available at Registration COVID Information station. Please respect the decision of attendees who choose to be masked at Reunion 2023.
- Although it seems almost impossible to imagine a reunion without hugging, please understand there may be people who may not wish the close contact.
- Some events may require masks to be worn. Notices will be posted when and where they are required.
- Hand sanitizers will be available at Registration area and placed throughout the common spaces used for the reunion.
- If you are feeling ill, please refrain from entering the events areas, official Reunion 2023 events or other social / networking opportunities.

These guidelines will be reviewed over the coming months and updated accordingly.
